§318.13-5 Application for inspection.

Persons intending to move any articles that may be certified in accordance with the provisions of §318.13-4 shall make application for inspection or treatment on forms provided for this purpose as far as possible in advance of the contemplated date of shipment. They will also be required to prepare, handle, and safeguard such articles from infestation or reinfestation, and to assemble them at such points as the inspector may designate, placing them so that inspection may be readily made. Blank forms⁶ for use in making applications for inspections will be furnished free upon request to the U.S. Department of Agriculture, Animal and Plant Health Inspection Service, Honolulu, Hawaii.

§318.13-7 Products as ships' stores or in the possession of passengers or crew.

(a) *In the possession of passengers or crew members.* Small quantities of fruits, vegetables, and cut flowers, subject to the quarantine and regulations in this subpart, when loose and free of packing materials, may be taken aboard any aircraft moving to Guam, ship, vessel, or other surface craft by passengers or members of the crew without inspection and certification in Hawaii. However, if such articles so taken aboard, are not eligible for inspection and certification under §318.13-4(a), they must be entirely consumed or disposed of before arrival within the territorial waters of the continental United States, Guam, Puerto Rico, or the Virgin Islands of the United States.

(b) *As ship's stores or decorations.* Fruits, vegetables, and cut flowers subject to the quarantine and regulations in this subpart may be taken aboard an aircraft moving from Hawaii to Guam, or a ship, vessel, or other surface craft in Hawaii without inspection or certification. Fruits, vegetables, and cut flowers that are so taken aboard such a carrier must be either (1) entirely consumed or removed from the aircraft moving from Hawaii to Guam, or the ship, vessel, or other surface craft before arrival within the territorial waters of the continental United States, Guam, Puerto Rico, or the Virgin Islands of the United States; or (2) in the case of a surface carrier, retained aboard such carrier under seal or otherwise disposed of subject to safeguards equivalent to those imposed on other prohibited or restricted products by §352.10 (b) and (c) of this chapter.
